On Tuesday, December 2nd, 2014 TABIA held the 4th Annual Toronto BIA Recognition Awards Night. The event was held at the Palais Royale and was well attended by the City of Toronto's 82 Business Improvement Areas. Our very own Emery Village Business Improvement Associated was very pleased and honored to receive award for it's Second Annual Wine Fest in Humber Summit that took place in September 2014. "The people living around Humber Summit were so pleased that they were recognized by the community and that the Emery Village BIA would choose to host the second annual Wine Fest again here... they were honestly humbled by it" according to Tony D'Aversa, Chair of Humber Summit and one of the event organizers.

In addition, fourteen of Toronto BIA's were recognized for their contributions to the community in categories that included branding, floral, master plan, streetscape, marketing and volunteers, among others TABIA is a non-profit umbrella organization working with more than 78 BIAs within Toronto, which represents more than 35,000 business and property owners.
