

Changing Seasons

With the leaves changing colors and the beautiful crisp air flowing in through our windows, it's a lovely time to head outside and hit the parks and trails right here in Emery Village. Did you know we have some amazing scenic trails right in our backyard? The Humber River Trail which is 32 km long and is a great way to spend your lunch hour or bring the kids by after work. This trail makes you feel as if you are miles away from the city with lush forests and a river running through the middle, you will enjoy breathing in that crisp fall air! Snap a photo if you do go and tweet us @emeryvillagebia! #falltrails! We want to see your amazing fall hikes!
